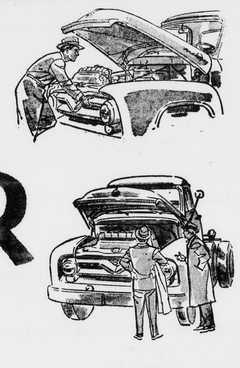
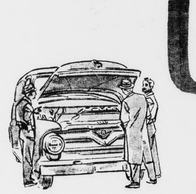
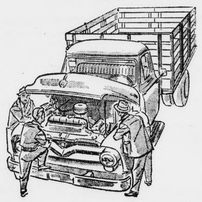
LOOK UNDER THE HOOD







— before you buy any new truck!

Look for a modern short-stroke engine. These engines last longer, give up to 53% longer ring life. They can save you up to one gallon of gas in seven!

Only Ford offers short-stroke V-8's—four of them—one for every size truck in a full line—available right now! And if you want a Six—Ford's got the most modern short-stroke Six in the business!

Is it a modern short-stroke engine?

Only if the "stroke" is as short as, or shorter than the "bore". *Check the specifications!* Other makers are beginning to change over to short-stroke engines—but only Ford has them in *every* truck model *right now!*
